

MEET OUR DOCTORS

Dr Nick Toalster,
MBChB, FRANZCO

I am an ophthalmologist with advanced training in cataract, corneal and glaucoma microsurgies. As both an optometrist and an ophthalmologist, I am particularly well placed to lead the emerging field of eye disease management.

Dr Judy Ku,
MBChB, FRANZCO

I am an internationally trained specialist in Glaucoma (especially angle closure and minimally invasive glaucoma surgery), Cataract and Anterior Segment microsurgies. I am passionate about providing exceptional & personalised care to my patients to achieve their full visual potential. Being multi-lingual (Mandarin) and compassionate, I strive to provide premium care to our diverse community.

Dr. Matthew Russell,
MBChB, FRANZCO

I am a specialist ophthalmic microsurgeon, internationally trained retinal surgeon, medical retinal diseases specialist, and cataract surgeon. With a career that spans over 15 years, I have mastered the ability to achieve precise results with the aim of helping patients regain their confidence and youthful energy.
