Meet our OKKO Eye Specialists

Dr Matthew Russell

Specialist Opthalmic surgeon

Dr Matthew Russell is a specialist ophthalmic microsurgeon with over 20 years of experience. He is an internationally trained retinal surgeon, medical retinal disease specialist, cataract surgeon, and refractive surgery specialist. Dr Russell combines advanced surgical expertise with meticulous attention to detail to deliver precise, high-quality outcomes. He is committed to helping patients achieve their visual goals through personalised care, the latest surgical techniques, and evidence-based treatment.

Dr Delia Lu

Specialist Opthalmic surgeon

Dr Delia Lu is a specialist ophthalmologist with subspecialty training in oculoplastics, medical retina, and ophthalmic cataract microsurgery. Dr Lu is passionate about providing personalised care, and offers treatments for a range of ophthalmic conditions. Fluent in Mandarin and Cantonese, Dr Lu is committed to making healthcare accessible to a diverse patient base.

Dr Eve Hsing

Specialist Opthalmic surgeon

Dr Eve Hsing is a comprehensive Ophthalmologist specialising in medical retinal conditions including macular degeneration, diabetic eye disease and vascular occlusion, as well as general eye conditions such as cataracts and pterygium surgery.
